by telegraph. Mons than 1,000,000 of the voters of Illinois, Wisconsin, Iowa, Michigan and Minnesota voted against Blaine and with the solid South for Cleveland. Does the The French Government Sustained by "Man from Maine" hear in that a paralyzing rebel yell from the great North-

THE organs of the railroads in this State are still asserting that the people are op- Dynamite Outrage in Ireland - The posed to a commission. This is not true. According to the completed returns 234, 972 of the voters of Tennessee voted for a vailroad commission, 23,965 less than the vote for Governor, which was 258,937. This 23,965 represents the scratching done by the railroad employes of the State and their friends. The vote then stands for railroad commissioners 234,972, against

THE Supreme Court of the United States in the case of Hart vs. the Pennsylvania Railroad Company has decided that where the conditions of a bill of leding are knowingly and willingly accepted by the shipper a freighting company is not liable beyond the valuation agreed upon, the value stipulated and stated in the bill of lading. A just decision, this will go very far to prevent frand and the setting up of fraud-

CHAUNCEY M. DEPEW is counted out of the Senatorial race in New York because he prefers his present place as attorney of Vanderbilt's road and his prospect of becoming president of it. Conkling is also counted out because he prefers \$100,000 a year for his practice to \$5000 and a seat in the Senate. The race has, therefore, narrowed to President Arthur and Levi P. Morton, "our Minister to France." The latter will have the support of the Blaine Republicans in the Legislature, and will run the President a close race. Lapham declines to be a candidate for

Watson Squier, in his report to the President, gives a very flattering account of the growth in trade and manufactures, as well as agriculture, of the people, and urges admission of the Territory into the sister property is \$50,513,852, with one county to e heard from. It is entirely out of debt, and on July 1, 1884, had a balance of \$47,-901 in the treasury. The population of the Territory is estimated to be 150,000.

THE Milwaukee Journal thinks the fact that the receipts of gold in this country since October 1st aggregate \$8,000,000 will be a great surprise to the people who have threatened to close down their workshops for lear that the tariff may be reduced to something less than robber de mands on the people. The further fact that the most, if not all, of this gold is payment for the unprotected product of the soil, will, no doubt, astonish the in habitants who imagine this country is doomed to bankruptcy if a few million aires are not created annually by taxing

the country. The Republican newspapers and politicians prefer hell to it, and now comes the insurance fraternity and threaten to pull up stakes and leave us because the losses last year were more than the receipts. Suppose insurance companies were to make this a standing policy, we should and them, like the "Wandering Jew," in and out of every State in the Union, shaking the dew off their garments where they lost and entering upon expectant profits in other States, with faces as if polished with sapolio. But is that business? Is it not like spoiled child's play?

DAKOTA will knock at the national door this winter for admission to the family of States. It has more than 500,000 people Its population is double that of Florida, nearly ten times that of Nevada, almost twice that of New Hampshire, three times that of Oregon, double that of Rhode Island, nearly double that of Vermont, about equal to that of Nebraska, and about twice that of the "centennial State" of Colorado. Within two years it will have overtaken and surpassed in population the States of Connecticut, Maine and West Virginia Within five years it will have surpassed unparalleled by anything in the history of the West, it is really phenomenal. Its admission to the Union cannot be delayed, and coasts are the Union cannot be delayed,

and ought not to be any loncer. was drunk or sick when taken home from the Opera Comique, Paris, a few nights since, has been decided beyond question. She was sick, and for momentary relief for the disease, which seems to be congenital, took too much phosphorus The result was, she was taken with cramps and overwhelmed with fear of sadder consequences, became confused, and finally literally paralyzed. She was was carried from the stage. A charming singer and a great favorite with the the French capital.

A CORRESPONDENT of the Philadelphia Times, writing from Augusta, Me., declares there is no office or place in the gift of the people of that State that Blaine cannot have for the asking. He can return to the Sea ate or to the lower house within two y ears if he chooses. And as he intends o remain in the public view it is more than likely he will accept a seat in Hotel Barnard. He addressed a meeting Congress after his literary task has been last night, and was seemingly in his usual completed. Either Senator Hale or Congressman Milliken would retire to give place to Mr. Blaine if he should desire to There is also a belief that while Mr. ing to settle in the Indian Territory. Blaine may go back into public life for a be again pushed for the Presidency.

THE poor South is still the topic with the Northern Republicans, as if we had reached here that George Briscoe, colored, was lynched Wednesday night at New no statesmen, no intelligence, were with-out schools and churches, were thoroughly State. He was charged with robbery, and out schools and churches, were thoroughly and altogether delivered over to the devil, a band of pirates and cut-throats, without law or order, enemies of industry and opposed to settled government. The and opposed to settled government. The anterespondent of the county because of frequent robberies in the neighborhood.

State. He was charged with robbery, and when delivered to the constable to be taken to jail at Annapolis a crowd waylaid the constable, took Briscoe and hung him. He had previously been warned to leave the county because of frequent robberies in the neighborhood.

CANFIELD statesmen and newspapers that urged in the neighborhood. Blaine upon the country, when not holding us up to the world in this guise as the vexing problem of American civilization, are studying us as a "situation." And in are studying us as a "situation." And in this, we say it with shame, they receive aid and comfort from a certain class at the South who are posing as the leaders of the "new South," thus making a contrast with what they would have us believe was the "old South," that South over whose sins the Hoars and others of that lik in the Bepublican ranks howl like dervishes.

In the lynching of George Briscoe, colored. The coroners who acted were Thomas Boone and Thomas S. Jacobs. The jury rendered a verdict that death was caused by strangulation at the hand of parties unknown. The place of the lynching was the public road, about the lynching of George Briscoe, colored. The coroners who acted were Thomas Boone and Thomas S. Jacobs. The jury rendered a verdict that death was caused by strangulation at the hand of parties unknown. The place of the lynching was the public road, about the lynching of George Briscoe, colored. The coroners who acted were Thomas Boone and Thomas S. Jacobs. The jury rendered a verdict that death was caused by strangulation at the hand of parties unknown. The place of the lynching was the public road, about like lynching was the public road, about like were Thomas Boone and Thomas S. Jacobs. The jury rendered a verdict that death was caused by strangulation at the hand of parties unknown. The place of the lynching was the public road, about like were Thomas Boone and Thomas S. Jacobs. The jury in the lynching of George Briscoe, colored. The word had been annoyed by stanks stealing his chickers, shot at a black spot in his straw stack and killed an unknown man hidden there.

The government will be administration is the declaring that the Chamber takes cognizance of the declaration of the government will be recognized that the ment and relies upon its energy to insure respect of the rights of France.

DYNAMITE OUTRAGE.

DYNAMITE OUTRAGE.

DYNAMITE OUTRAGE.

DYNAMITE OUTRAGE.

DUBLIN, November 28.—An attempt was made at Tralee.

Well did Mr. Jefferson, in his inaugu-

sheet-anchor of our peace at home and safety abroad. The Federal government never was intended to be what is called a paternal government, to interfere with of the State or of the people. Home rule is a cardinal principle of Democracy, and

from a change of administration will be that it will dissipate so many erroneousimpressions which have been made upon the minds of many honest though mis-guided men. The charges that the Democratic party intend to set aside the recent amendments to the Federal constitution; that they intend to pay for Southern property; to pension Confederate soldiers; to may the debt contracted by the Southern States during the war; to imperil the lib-erties of the colored man, will all be found to be without to least foundation in

t Launay, Italian delegate to the Conference, has declared in the rence that Italy reserved the right of y of action in regard to her rights in The Montreal Carnivat.

The Montreal Carnivat. There will be, I presume, no vicient or radical change in the legislation or busi-ness of the country. The financial policy of the covernment and the banking sys-tem will be improved and liberalized; the tariff, or duties on imports, will be reduced, though the principle of protection, to the

orm will be realized; the internal tax or obacco and whisky will be continued, but will be made much less objectionable and A good measure will not be reje te merely because it is Republican, nor will changes be made for the sale of change.

While keeping within the strictest bounds of the constitution, there are cersounds of the constitution, there are cer-tain great works of improvement, such as naking navigable at all seasons of the year

the Tennessee and Mississippi rivers, and making levees on the Mississippi, to which from that city owing to their participation in anti-German agitation in Schleswig much as was ever the Republican. It is devotion to such principles as I have mentioned that constitutes Democracy, and not any policy which is merely local in its character and temporary in its

Upon these questions Democrats may differ without any want of fealty to their party. If an attempt to make these local questions a test of Democratic faith be nade we will soon have no party.

The people of the Southern States ex pect nothing except what is accorded to the people of all the States. They as It should be so that the office should see the man and not the man the office, but fear we will never see this again. That the principal offices of the country should

be placed in the hands of Democrats is entirely reasonable and should be exports, and they will be sent to all corre he character of the men who are to fill regarding the condition of affairs at the offices for nearly twenty-four years, and university, it was decided to continue the Democrats have been entirely excluded.

ward of partisan service. We should exercise a liberal policy toward our political opponents. They have the same interest no right to assume that all patriotism is mbraced within our own ranks. Truly WM. J. SYKES. Steamship Sunk.

Wellington, November 28.—Capt. Baltimore, November 28.—The steam-bavid L. Payne, the famous leader of the Ship Decatur H. Miller, Capt. Clark, Oklahoma boomers, died suddenly here this morning while at breakfast at the afternoon for Beston, was sunk one-half mile from the mouth of Lower Craighill channel by a collision with the steamship robust health when he entered the dining william Lawrence, Capt. Dry Goods Imports at New York-Bush ness Fallures for the Week-Factories Resuming.

Collemnia, Tenn., November 24, 1884.

Col. M. C. Gallaway:

Dear Sirs—Having known you since 1884 as a tried and true Democrat, and remembering our early days and long continued friendship and your distinguished services to the Democratic party in sunshine and in storm, I have determined in all frankness to give you my views of the situation and what we have a right to expect from this great political revolution. Having achieved such an important victory it becomes us to see ider what are to be in results and the range of officers, altone to the officeholders, is a matter of small consequence to the people at large. Political contests involve deeper questions than mere office-holding. The country expects and has a right to expect a thorough qualification, a strict accountability of all officers in a light recommendation.

able to procure certificates showing that they had been made invalids in the service. He urged the necessity of aiming at the highest standard of military efficiency. Germany's position in the council of nations was based upon her possession of a strong army. With this army it would not be the part of wisdom to tamper.

The deficeholders, is a matter of small a slight run on the savings of a slight run on the savings of the latter is in no way involved, and will be the latter is in no way involved, and will stand the run easily.

The Heuse of a Land Agent Blown Up at Traice.

Dublis, November 28.—An attempt was made at Traice last night, which nearly proved successful, to destroy with dynamite the residence of Samuel Hassey, known as the Edinburgh House. Many windows and a portion of the eastern wall of the house were badly shattered. No one was hurt.

It is believed the explosive was placed in a sewer under the back part of the house. After the explosion the house looked as though it had been bombarded. A split several inches wide was made in the main wall, and reached from the ground to the roof. Great excitement prevails. Hassey is one of the largest land agents in Ireland, and it has been known that a plot existed against his life.

The run on the savings bank here drew solven the support of the state government, and not to take from the support of the state governments in all their rights, as the main wall, and reached from the ground to the roof. Great excitement against anti-republican tendencies, and the preservation of the femeral government. The run on the savings bank here drew \$20,000 to-day. The bank is solvent and ready for any emergency. Houston & Conklin and C. C. V. Ketchum, grain dealers of thus village, who are indorsers for considerable amounts on Brown's paper, have made assignments to protect their creditors. President King is at home, very vill. It is not thought here that he has profited by the bank in a single week in a ground to the roof. Great excitement in all the constitutional vigor as the sheet anchor of our peace at home and safety abroad. The Federal government
